PS/14/03797/FUL. Demolition of existing dwelling and garage and erection of replacement dwelling with integral garage. Sherwood, The Drive, Ifold. **LETTER OF COMMENT APPENDED**

PS/14/02891/FUL. The erection of 3 no. 4 bed houses following demolition of the existing dwelling and outbuildings. Kogala, The Drive, Ifold. The applicant had contacted the Clerk to request that the Parish Council reconsiders its objection to the application on the grounds that a previous application for three 4 bed houses had already been approved and the current application was an improvement in layout terms. Whilst the Parish Council maintained its objection to three houses being built on this site, it was conceded that this could not be prevented by objecting to the current application and it was agreed to withdraw that objection.

PS/14/03502/FUL. Demolition of existing dwelling. Reinstatement of vehicular crossover. Hogwood Farm, The Forestry Road, Plaistow. Members of the public had written to the Clerk to request that the Parish Council reconsiders its previous decision not to comment on this application. After careful consideration of the application and site history, it was agreed that the Parish Council would maintain its previous decision not to comment.

Dear Ms Stevens

**Re: 14/02960/FUL. 2 no. replacement dwellings: 1 no. house and 1 no. bungalow. Thane, The Drive, Ifold.**

Plaistow and Ifold Parish Council has considered this application and OBJECTS to the proposal.

This application does not address the reasons for refusal of the previous application PS/14/00344/FUL.

The parish council considers that the proposed development does not comply with Saved Policies BE 11 and BE13, Paragraphs 53, 55 and 58 of the NPPF.

In 2010, the Government removed residential gardens from the definition of 'previously developed land', in order to curb building on garden land and transform councils' ability to prevent unwanted development on gardens in order to protect the character of neighbourhoods.

The parish council considers that the proposed development does not respect the setting, form and character of the area, and as such would cause harm to the existing settlement area. The proposal is unsustainable, given the inadequate road infrastructure, and sewerage network, particularly when taking into consideration the cumulative effect of applications which have already been permitted and those which are currently pending consideration by the council.

Plaistow and Ifold Parish Council therefore requests that this application be REFUSED.

Yours sincerely

Beverley Weddell

Dear Mr Kneen

**Re: 14/03573/DOC Discharge of conditions relating to PS/11/04865/FUL, conditions 6, 7, 9, 13. Frog Cottage, Chalk Road, Ifold.**

Plaistow and Ifold Parish Council has received representations from the public and agrees that Oak Tree T67 should be retained and would like to see the Landscape Plan amended to reflect this.

The parish council also acknowledges concerns of the resident opposite the site concerning potential flooding that may be caused to her property by passing construction site traffic. The parish council would therefore request that this is addressed in the construction method statement.

Yours sincerely

Beverley Weddell  
Clerk to Plaistow and Ifold Parish Council

Dear Mr Kneen,

**Re: 14/03508/COUPMB and 14/03512/COUPMB. Part 3, Class MB conversion of agricultural building(s) to provide 1 no. (2) (3 bedroom) dwelling house. Strudgwick Farm, Plaistow Road, Ifold**

Plaistow and Ifold Parish Council has considered these applications and OBJECTS to the proposals.

The parish council considers that this is NOT permitted development under Part 3, Class MB by reason of the fact that the application buildings were not in agricultural use on 20<sup>th</sup> March. Despite the fact that the property is called Strudgwick *Farm*, it is divided into two plots and the application site has formed part of the domestic curtilage of the house for at least 30 years, with no agricultural activities having taken place during that time.

Yours sincerely

Beverley Weddell  
Clerk to Plaistow and Ifold Parish Council

Dear Ms Body

**Re: 14/03797/FUL Demolition of existing dwelling and garage and erection of replacement dwelling with integral garage. Sherwood, The Drive, Ifold.**

Plaistow and Ifold Parish Council has no objection regarding the mass and scale of the proposed development, however it does have concerns that the boldness of the contemporary design will not sit comfortably in the rural environment and would prefer to see the use of cedar, for example, that would weather down to a grey colour naturally.

Plaistow and Ifold Parish Council would request that, should planning permission be granted, we are consulted regarding materials for any conditional approval relating to materials is discharged.

Yours sincerely
