Dear Mr Whitby,

Re: 19/01363/TPA | Crown reduce by 20% (heights and spreads) on 21 no. Cypress trees within Group, G1 and 1 no. Eucalyptus tree (T14) all subject to PS/97/00808/TPO. | Jasmine Cottage 1 Thistledown Vale Ifold Loxwood Billingshurst West Sussex RH14 0TN

Plaistow and Ifold Parish Council has the following comments regarding the above referred to planning application.

The Parish Council's Tree Warden, Mr David Lugton has considered the proposals and his advice was adopted at an Extraordinary Meeting dated 5th June 2019.

In relation to the proposals regarding 21 no. Cypress trees within Group G1 the Parish Council makes No Comment.

In relation to T14, 1 no. Eucalyptus tree the Parish Council respectfully insists that the proposed 20% crown reduction is undertaken between the months of December – February, when the tree is in a dormant state, to prevent the risk of dieback to this impressive specimen. The Parish Council asks that this condition is imposed in the event that the application is granted.

Yours sincerely

Catherine Nutting'
