The parish council had previously agreed to set aside £5000 towards the costs of a judicial review. It was resolved that the £5000 would now be used for the costs of the planning appeal process.

The Chairman reported that she had arranged a meeting with CDC to discuss how we can share costs, which would be between £30,000 and £40,000. Funds have been agreed for £30,000 but there would be a need to carry out fundraising for an additional £10,000 - £15,000. The Chairman had written to neighbouring parish councils requesting financial contributions.

It was resolved that the parish council will be a Rule 6 Party, which means they will take a full part in the planning inquiry.

There being no further business, the Chairman closed the meeting at 21:40.
