

Round 1 – Quizmaster’s Choice – ‘I say, I say’

As the title suggests, this round gives me the chance to put some unusual questions to you. This month I’ve chosen ‘I say, I say’ as the theme. So how does it work? Simple, each answer will contain the letters of the word ‘say’ and what’s more they will be together and in that order! Couldn’t be simpler could it, so good luck and enjoy this challenge.....

(NB: many thanks to one of our quizzers, David L, for pointing out to me an error in the very first question in last month’s October quiz. The film *Cleopatra* was made in 1963, not 1953 as my question stated)
