

Plaistow & Ifold Parish Council Update for September 2020.

Introduction.

I am PCSO Neil Billingham and I have recently come over to the Chichester District to cover the Petworth area.

I joined Sussex Police in 2004 as a Traffic Warden and became a PCSO in 2006, with experience in covering both rural and urban beats in Arun District.

I am married with two teenage boys, all of us having an almost fanatical love of Rugby! This reluctantly includes my long suffering wife!

Incidents of Note.

The main report of note for the area is the theft of materials from a building site. Can I ask that people call in to report any activity on building sites out of the obvious hours the workmen should be there? We can then get either our Response colleagues or the Rural Crime Team to target the area.

We have also had a number of reports of suspected Covid 19 guideline breaches, although it was found that people were complying. Please can I add timely reminder to restate the Rule of Six and to remind everyone to watch their numbers, maintain social distancing and be aware of Covid 19. Please stay safe and healthy.

PCSO Activity over the next month.

I will be attending as many (virtual) Parish meetings over the next two months as possible. My main activity will be to target some foot patrol through the area to get to know the geography and to start to meet the locals! If you see me out and about. Please feel free to stop me and say hello!

DON'T LET THEM MAKE YOU A VICTIM OF CRIME. IF YOU SEE IT, REPORT IT!
